

In attendance:

Stacy Parsons (Chairing)

Jack Hickey

Joe Trybus

Mary Weeks

7:00 pm

Informational meeting with Aimee Thayer re: Berkshire Conservation District function, programs offered, and services.

7:30 pm

Continuation of public hearing for 514 South Main Street.

- No one in attendance for the project and no further information has been submitted to inform our review.
- Due to lack of information, unanimous approval to issue positive determination.

Other Business:

- Review of concern at 20 Irwin Street re: release of heating oil. Board of Health notified on 10/25/11 of the release and cleanup activities. No action taken by the Commission.
- Ratified partial certification for 14 Lynne Court.
- Reviewed budget statements. Budget request for next year submitted at \$108.00.
- S. Parsons will contact D. Minneci re: 791 Partridge Road Certificate of Compliance.
- Reviewed Mall Road/RT. 8 drainage concern. Will send letter to M. MacDonald summarizing the meeting and encouraging him to contact stakeholders.
- Reviewed status of appeal for 29 Profile Street. Shared DEP decision with R. Tinkham in advance of ZBA hearing.
- Continued discussion re: building a pond at Laston Field. J. Trybus discussed project ideas and flows needed with local engineer who constructs ponds. Discussion continued to next meeting. Set site walk for 1/15/12 at 9am to review area. May eventually require sub-committee after we have more information to share with Recreation and Laston Field Committee.
- Reviewed information received re: 3 Grove/33 Narragansett Ave. J. Hickey will be meeting with the State re: dock regulations and will be bringing this issue to the table as an example of the concerns with State response.
- General discussion re: cleanup plans for the Housatonic River.
- Discussed submitting article for the Town Report.
- Received letter dated 12/6/11 re: WMECO 2012 Yearly Operational Plan
- Received notice of Potential Hazard Mitigation Grant application guidelines
- General mail.

Adjourned 9:00 pm
